OUR EVENT SPONSORS

Our History

On Thursday September 11th 2014 the mayors of Leduc County and its municipalities partnered with the Capital Region United Way in the battle to end poverty. Each of the 7 mayors signed their name to a banner in a pledge of support for the work of the United Way.

Leduc Region Caring Companies

Inspired by the commitments of the mayors, a group of local business and community leaders came together to create the **Leduc Caring Companies**.

The vision of the Caring Companies is to:

Engage and connect the Leduc Regional Business community and focus collective efforts on creating pathways out of poverty.
